

Microorganism and Host Relationship (credit:1 theoretical)

Session	Date	Topic	Teacher
1		General relationship between the microorganism and the host	Dr. Irajian
2		Binding of bacteria to cell surfaces and extracellular matrix	Dr. Mirkalantari
3		Events after the adhesion of bacteria	Dr. Masjedian
4		Invasion	Dr. Masjedian
5		Escape mechanisms from the host's immune system	Dr. Mojtahedi
6		Anti-phagocytic mechanisms of bacteria	Dr. Masjedian
7		Bacterial toxins	Dr. Mirkalantari
8		Bacterial toxins	Dr. Mirkalantari
